# HOW TO GET *INVOLVED*

The Campbell River Youth Soccer Association is proudly fundraising to build a new fieldhouse to enhance the sports facilities at Robron Park. # SPORTS IN CAMPBELL RIVER

THE CAMPBELL RIVER YOUTH SOCCER ASSOCIATION supports child development by promoting an active lifestyle while teaching important life lessons such as sportsmanship, teamwork, goal setting and respecting others. The fieldhouse will provide services to soccer groups and leagues of **all ages**, as well as lacrosse, football, rugby and tennis groups.

## A COMMUNITY FACILITY

We are creating design concepts and detailed plans for the facility with the generous in-kind support of **Seymour Pacific Developments**. The facility will include change rooms, public washrooms, wheelchair access, concession, a multi-purpose banquet room, a board room and a **wrap-around deck** which overlooks the Robron fields with beautiful mountain views.

The **public washrooms** will offer access to everyone from leagues to recreational users, to people passing through the park on a walk. The **multi-purpose room** has a maximum capacity of 100, providing a space for sports teams and local groups to hold **community events**.
