Our first newsletter for you. One of our primary goals moving forward is to create better communication with our members. We believe it's important for all members of the Campbell River Soccer family to know about changes we're making to provide the best soccer experience possible for players, referees, coaches and families. Our goal is to limit single threaded emails to the family's inbox and provide information in the newsletter and on the website to keep us all connected.

A word from our Technical Director (TD)

Fall 2015 saw the launch of three brand new programs. These initiatives were piloted to increase participation and passion for the game throughout the community

- ✚ CRYSA Academy Travel Teams
- ✚ Carihi Tuesdays
- ✚ Friday Night Girls Soccer

The success of these programs on top of another action packed Fall season rounds off a memorable 2015. Personally, I would like to thank all volunteers who make these opportunities happen: Coaches, assistant coaches, team managers and of course the families and players. I will look forward to what promises to be an exciting Spring 2016.

Yours in Soccer
Kevin Lindo

Along with new program development and preparing the club internally to be able to move forward, stay current and grow the beautiful game in our community. Thank you to the CRYSA Team and our Volunteers for a fantastic 2015. The future is bright. See you on the Turf. - Al
